Compact design

Energy Efficient

Easy Installation

PRODUCT DESCRIPTION

The Q-AS603 is a high-intensity blue LED strobe light combined with a siren, designed for use in security and alarm systems. Operating at 12V, it features an IP65-rated enclosure, providing protection against dust and water, and ensuring reliable performance in various environments. It offers clear visual and audible alerts, making it an ideal choice for enhancing safety and security in warehouses, factories, parking lots, and other facilities requiring effective warning systems.

PRODUCT ADVANTAGES

Enhanced Security: Provides both visual and auditory alerts to deter intruders and notify personnel of potential hazards.

Versatile Applications: Suitable for use in commercial, industrial, and residential settings.

Energy Efficient: Low power consumption due to LED technology, reducing energy costs.

Durability: Designed to operate reliably in harsh conditions, with an IP65 rating for protection against dust and water, ensuring longevity and low maintenance.

TECHNICAL SPECIFICATION

Product Parameter	Description Parameter
Model	Q-AS603
Dimensions	122.2mm x 72.8mm x 43mm
Material	ABS Plastic and PC
Operating Voltage	12V DC
Current Consumption	≤ 250mA
Light Source	Blue strobe light
Color	Blue and White
Flash Rate	60-90 flashes per minute
Siren Sound Level	115 dB
Mounting Type	Wall or Surface mount
Operating Temperature	-20°C to +50°C
Siren Tones	Continuous and Intermittent options
IP Rating	IP65
Warranty	3 Years
Certifications	CE
Place of Origin	Malaysia
